The main text, like the author names used Times New Roman font, 14 point for the Author names and 12 point for the remainder of the abstract. Type or paste your text into this file, but remember to keep the page margins the same as is set here which is 2.5 cm all round. Paragraphs are justified (straight-edged) on both left and right.

Use single-line spacing and leave a line gap between paragraphs. This helps your text to be read easily. If you would like to insert a figure you can do so.

The limit for your abstract is one page, with 400 words max, a maximum of one figure (optional) and references.

If you want, you can set the text to flow around the figure, but do remember to include a figure caption.
